## First Time User (FTU) Guide - 2022 SOCCA Webinar Series Enduring Material CME

### This guide is made up of the following sections:

- Receiving the link to the Enduring Material CME activity. **(Step 1)**
- Logging into the CME system and creating a new account. **(Steps 2 – 7)**
- Process for completing the activity. **(Steps 8 – 11)**
- Claiming the appropriate CME credit. **(Steps 12 – 14)**
- Obtaining your certificate and important next steps. **(Steps 15 - 16)**

1. If you registered for a webinar, but were not able to attend, you may have been sent an email with a link so you can take an Enduring Material CME activity based on the webinar's education content.

This link to the Enduring Material CME activity will also be available on the “Webinars” page that can be found after having logged into the SOCCA MemberClicks site (<https://socca.memberclicks.net/>).

### IMPORTANT NOTES:

You cannot claim credit for both the Live Activity and the Enduring Material CME activity for the webinar.

If you do not already have an account with the CME system, “OpenAnesthesia360 Continuing Medical Education” (or OA360-CME), you will be required to create one.

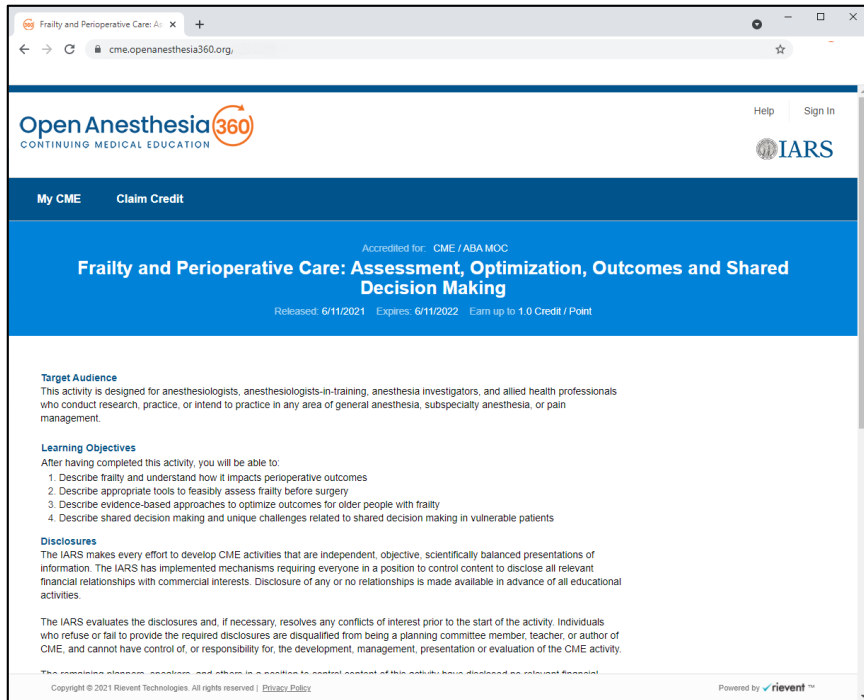

## First Time User (FTU) Guide - 2022 SOCCA Webinar Series Enduring Material CME

2. After selecting the link for the activity, a new browser tab will open presenting the OA360-CME system.

The “Overview Page” for the activity you selected will be displayed.

Please scroll through and review this information.

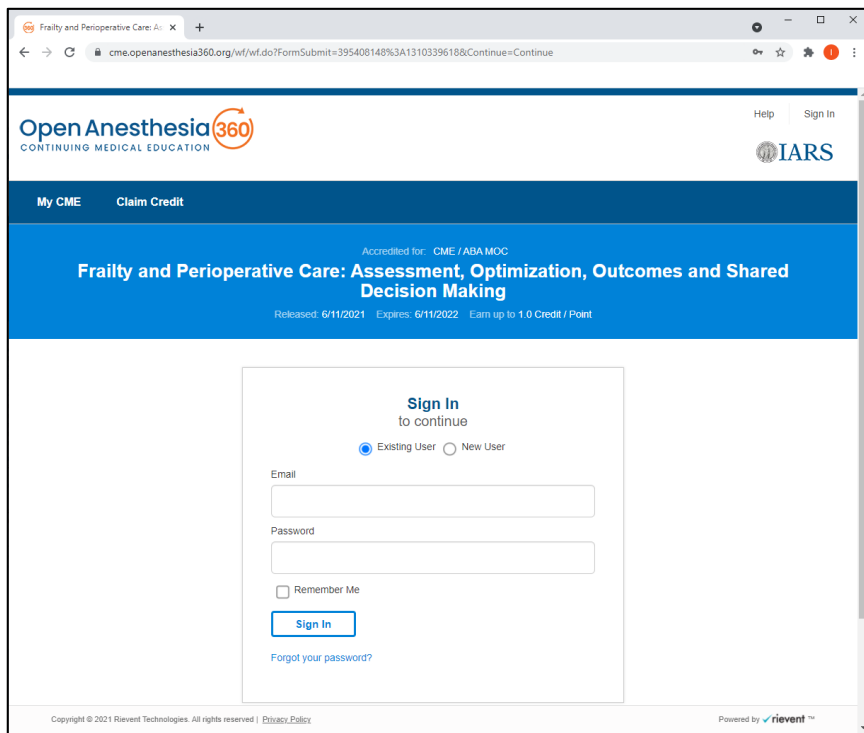

When you are finished, select the “Continue” button at the bottom of the page.

3. The “Sign In Page” will display.

Enter your credentials to sign into your account.

If you do not yet have an account for the OA360-CME system, please select the “New User” option to set up an account with OA360-CME.

**First Time User (FTU) Guide - 2022 SOCCA Webinar Series Enduring Material CME**

4. Enter the email address you would like associated with your OA360-CME account.

This will also be your Username.

Select “Sign In” to continue.

5. The “Profile Page” will appear with the “Email/Username” you entered on the “Sign In Page.”

Please reenter your email for verification.

## First Time User (FTU) Guide - 2022 SOCCA Webinar Series Enduring Material CME

6. Please complete your profile by filling out all required fields and then saving it when you are done. If you do not complete and then save your information, your account will not exist and you will have to go through these steps again until you've successfully created an account.

To begin, please enter the following **required** information:

- First Name
- Last Name
- Profession (e.g., Physician, Nurse Anesthetist)
- [Primary] Degree (e.g., M.D., C.R.N.A)

7. You may also wish to enter the following **optional** information:

- Organization (e.g., Academic Institution, Clinic)
- Secondary Degree
- Professional Association Information: If you are a member of the American Board of Anesthesiology (ABA) and intend to claim Maintenance of Certification in Anesthesiology™ (MOCA®) points, it is recommended that you complete the following fields. This information will be transmitted automatically to the ACCME for verification of MOC points with the ABA when you select the MOCA option for applicable CME activities.
  - Professional Association (Primary): select “American Board of Anesthesiology” from the drop-down menu.
  - Professional Association Number (Primary): enter your 8-digit ABA identification number.

8. Once you've completed and saved your profile, you'll progress through the activity, starting with the Educational Content.

To watch the recorded session, select the “View the Content” to open the video in a new tab.

When you've finished watching the session, close this tab to return to OA360-CME and then select “Continue.”

If you have already watched the video from the virtual meeting platform or you participated in the live session during the annual meeting, you can skip this step and select “Continue.”

---

## First Time User (FTU) Guide - 2022 SOCCA Webinar Series Enduring Material CME

9. After the Content, you'll be presented with the Posttest. You must pass the posttest with score of 80% or higher and you have an unlimited number of attempts.

If you are not ready to have the posttest scored, you can select "Save." This will allow you to leave the posttest, return to it later, and then pick up where you left off.

If you have completed the posttest and are ready for it to be scored, select "Submit."

You'll be presented with your passing score, as well as a rationale and reference(s) for each question, if available.

Select "Continue" when you are ready to progress.

10. A "Bibliography" will be presented for your review. Select "Submit" to continue.

11. Next, you'll be presented with a standard "Activity Evaluation."

The information gathered from this survey allows the IARS and SOCCA to determine whether its CME mission is being met through the activities it offers and to continuously improve these offerings.

When you have completed this survey, select "Submit" to continue.

12. Now you are ready to claim credit. You are able to claim multiple credit types from the following options:

- *AMA PRA Category 1 Credit™*
- ABA MOC Lifelong Learning
- ABA MOC Patient Safety

**Please select all the options for which you wish to claim credit!** Accrediting bodies want learners to be deliberate in the types of credits they claim. These credits are not added together for each activity; rather, they will appear in more than one category in your CME record.

For all options, please claim only the credit commensurate with the extent of your participation in the activity.

## First Time User (FTU) Guide - 2022 SOCCA Webinar Series Enduring Material CME

13. For *AMA PRA Category 1 Credit™*, select the “AMA PRA Category 1 Physician” option.

### Credit Selection

Select your credit from one of the option(s) listed below.

 IARS-SOCCA - AMA PRA Category 1 Physician

**IMPORTANT NOTE:** You must select this option if you wish to have evidence of having earned *AMA PRA Category 1 Credit™* for this activity reflected in a certificate and in your transcript.

14. If you are claiming MOCA points, select the “ABA MOC Lifelong Learning (CME)” option.

 IARS-SOCCA - ABA MOC Lifelong Learning (CME)

 IARS-SOCCA - ABA MOC Patient Safety

If the activity is also registered for Patient Safety CME and you wish to claim this credit, you will need to also select the “ABA MOC Patient Safety” option.

**IMPORTANT NOTE:** You must select both of these MOC options to claim Patient Safety credit.

If you entered your 8-digit ABA identification number in your profile, this will be reflected in the “ABA Number” field for both MOCA credit options. If you did not complete this field in your profile, you must do so here for verification of MOC points with the ABA.

15. You’ve completed the activity! You can choose to download your certificate or view your transcript now or at another time.

Note that you will also receive an email providing you with a link to download your certificate.

To return to OA360-CME at a later time, please use the following link:

<https://cme.openanesthesia360.org/attendee/mycme/mycme.jsp>

In addition to your transcripts, you’ll be able to review completed elements of activities, such as content, posttests, and activity evaluations.

---

**First Time User (FTU) Guide - 2022 SOCCA Webinar Series Enduring Material CME**

- 16.** In six (6) months you will receive by email a “CME Outcomes Invitation.”

This simple, 3-question survey will gather information about how the activity changed your behavior, whether this is in a clinical or academic setting.

Please take the time to complete this survey!

Thank you for registering for an OA360-CME account and participating in the activities it offers.

If you have any questions or concerns, please contact the IARS Learning Support Team at [cme@openanesthesia360.org](mailto:cme@openanesthesia360.org).
